PROPOSED LONG-TERM DETOURS DURING CONSTRUCTION

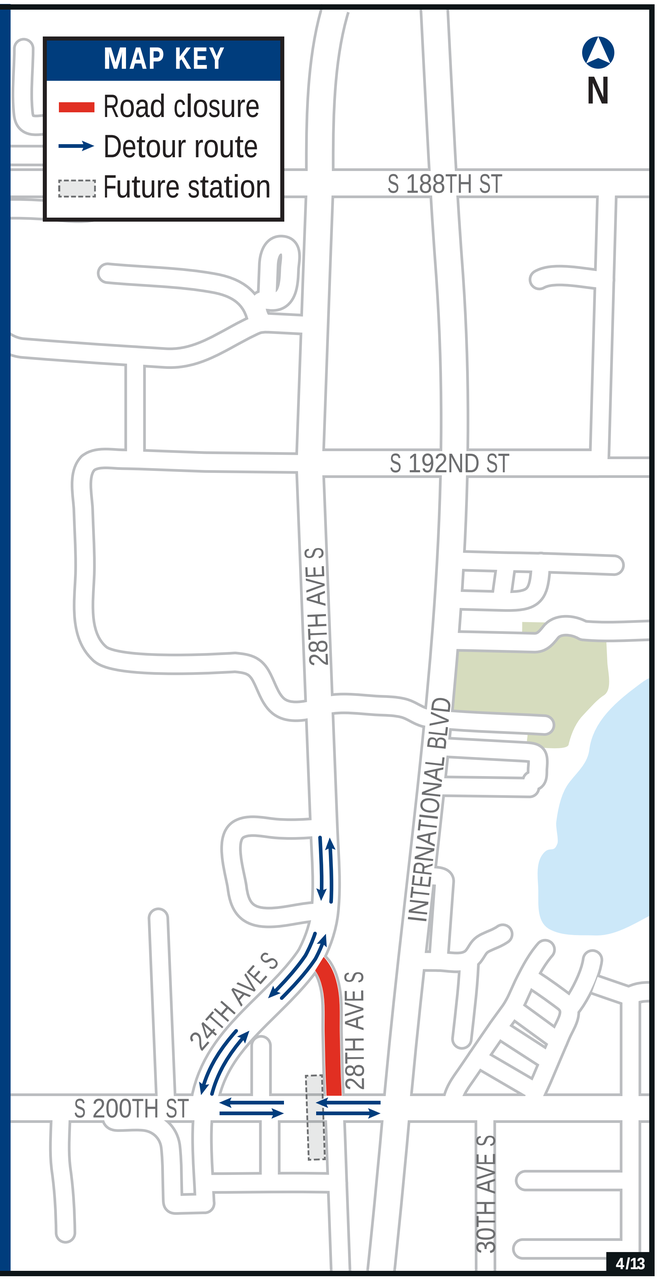
S. 200TH LINK EXTENSION

1

"Little 28th Ave S." between 28th Ave S. and S. 200th Street

Closed: May 7, 2013
Duration: 3 years

Eastbound traffic will be routed 1 block west on S. 200th to northbound 28th Ave S.



2

Northbound 28th Ave S. between S. 200th Street and S. 188th Avenue

Closed: June 2013
Duration: 3 years

Northbound 28th Ave S. will be closed for the duration of the S. 200th Link extension construction. All traffic will be shifted to the southbound lanes of 28th Ave S.

Local and business access will be maintained.

CONSTRUCTION MITIGATION

S. 200TH LINK EXTENSION

Sound Transit is committed to being a good neighbor by minimizing the impacts of our construction.

- Provide advance notification for work
- Maintain driveway access and keep traffic moving
- Maintain a clean work site
- Minimize noise, dust and debris
- Provide good wayfinding and signage
- Promote the business district
- 24-hour construction hotline
